## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2021 LEGISLATIVE SESSION**Analysis**

This legislation extends the State of Alaska's participation in the multistate Compact for a Balanced Budget through April 12, 2031. The Compact is currently scheduled to sunset on April 12, 2021.

This legislation also increases the number of Alaska delegates to the convention from one to three and specifies that the delegates shall be appointed by the Governor, Speaker of the House and President of the Senate, respectively. This legislation indicates that the convention will be held in Dallas, Texas. Travel, lodging and per diem costs for the executive branch delegate is estimated to be \$2.2 based on \$1.2 for airfare, \$0.6 for lodging based on an estimated four night stay, and \$0.4 for six days of meals and incidentals.

The convention described by this legislation will occur according to the provisions of Article V of the U.S. Constitution, which requires 38 states join the multistate Compact and enactment by the United States Congress of a resolution for a convention. Currently, there are four member states in the Compact. For the purposes of this fiscal note, it is assumed that a convention will not be called between FY22 and FY27 and therefore the Office of the Governor submits a zero fiscal note.
